31.05.2002

The professor Verity invent a truth machine. Then, he telephone the newspaper and he has a interview with it. Then, a lot of people send letters for professor, and he choose a three of lots of people because come to visit he.

The first is Mrs. Seeker. Her husband has another woman in his live. The second was Inspector Sack. He hate the criminals. And the last one was Dr. Simple. He was a spy.

At the next Monday, Mrs. Seeker bring her husband and he say the truth: he love another woman. Of Inspector Sack, he bring some murderers, and say them another questions. All are guilty except one. And of Dr. Simple, he bring a another spy, and he say another spy another importants questions of Russia, but he say this: That's the truth, I always tell lies. With this phrase, Dr. Simple is disconcert.

Then, the three clients are in the same hotel together, and they talk about the machine. They didn't like the machine. Then, they wanted to see the professor.

They talk with him, and professor said the true: he wants money and power. And then the Inspector Sack destroy the machine.
