Una persona puede tener la tez pálida, roja, rosa, o bronceada:

Complexión can be pallid/pasty, rosy/flushed and bronzed.

2.2 Pelo

*Si se carece del mismo: bald, balding, bald patch, a receding hairline.

You are entering the forties, sooner or later you'll be balding

Despite the stiffling heat he put on his hat to disguise the bald patch in his neck

The receding hairline is becoming a bald, indeed—said Taylor.

*Si se tiene; puede estar grasiento, ralo o tener caspa.

They took out the prisoner whose face was covered in the silver grey thinning hair he had

Your greasy hair shines at night

I'll be soon down in dandruff unless you stop scratching your head

*Peinado o no

Even though he's torie his hair have a parting on the right

He's wig indeed. Even so his hair has a part on the left

His fringe defies gravity

*¿longitud?

His shoulder-length hair is now worn in a pony tail

As long as I don't have hair enough to wear a pig-tail I'll wear plaits

ere I to a latin country I'd brush my hair straight back

2.3 Orejas

*OREJAS de soplillo:

Mr spock has rather sticking out eras.

2.4. Ojos, cejas y pestañas

Eyes, eyebrows, eyelash.

His sunken blue eyes look so deep..

After the crash she gave him a startled look

The grass, the people, the noise... and even so i could perfectly distinguish a furious twinkle in his eyes

I wonder wether you can see with that disgusting bushy eyebrows

There´s even someone on the tv whose eyes are somewhat more close-set.

Should there be any comment about our squint director, you would be immediately sicken

2.5. NARIZ; respingona, aquilina

Pluto has a nerverend snub nose.

Mr Carmona, have you ever been mistaken with a shark owing to your acquiline nose?

2.6. Boca, labios, barbilla y papada:

*LABIOS: sobresalidos, fruncidos

I really love those protruding liups she has.

Don´t purse your lips, temptation doesn´t captivate me.

*BARBILLA: firme, partida/granuda, papada

I´m astonished with his firm chin

The cleft chin makes a sharp division of his face

You´d better taken some tablets for that dimpled chin you have

In addition to his fleshy lips, the double chin emphazise his flabby features

2.7. Barba, bigote, patillas.

*BARBA: Bien afeitado, de tres días, tupida

Clean shaven men have a fresh air, do they not?

You look naughty with that five o´clock shadow on your face

He has a three days stubble.

Tangled/matted beards give a mature aspect.

*BIGOTE: caído

If only he didn't have that nasty droopy moustache, he wouldn't look so lazy.

*PATILLAS: sideburns.

2.8. Arrugas, pecas y lunares: warts, freckles and moles.

EXPRESIONES

·To be adj.+ish. to be tallish, fattish, shortish (ish = a little)

·To be on the adj side. Meaning rather. He's on the elderly side.
