Section 4 of the Act of January 16, 1936, ch. 3, 49 Stat. 1092,

provided that persons who were then members of the teaching staff

should have the right to participate in benefits under the Act if

they requested such participation within 60 days. Members who were

then under the civil-service retirement system were required to

choose whether they would remain under it or would participate in

the system established by the 1936 Act. They could not come under

both. The section also authorized the Secretary of the Navy to

supplement the retired income of members who elected to come under

the 1936 Act and whose age in 1936 was such that they could not

purchase adequate annuities before retiring. The provisions

whereby members could elect to participate were temporary and are executed. The provisions relating to retired income are superseded by Sec. 4A, added by the Act of November 28, 1943, ch. 331, 57 Stat. 594. The only remaining effect of Sec. 4 and the second proviso of Sec. 4A is to exclude from the benefits and requirements of the 1936 Act persons who were members of the teaching staff in 1936 and did not elect to participate.

–STATUTE–

Each civilian member who retires under section 7084 of this title is entitled to a life annuity computed by multiplying his average annual compensation during any five consecutive years of allowable service, at his option, by his number of years of service, not exceeding 35, and dividing the product by 70. –STATUTE–

(a) Each civilian member who has served not less than five years, and who, before reaching the age of 65, becomes totally disabled for useful and efficient service in his position, by reason of disease or injury not due to his own vicious habits, intemperance, or willful misconduct shall, upon his application or upon the request of the Secretary of the Navy, be retired with a life annuity computed under section 7085 of this title.

(b) The amount that the Secretary shall pay annually under this section is the difference between the total amount to which the retired member is entitled under subsection (a) and the immediate

life annuity to which he is entitled at the time of his disability retirement under the annuity policy required by section 7082 of this title.

(c) Each civilian member retired under this section, unless the disability for which he was retired is permanent in character, shall be examined by a board of medical officers designated by the Superintendent of the Naval Academy or of the Postgraduate School, as appropriate, one year after his retirement and annually thereafter, until he becomes 65 years of age.

(d) Payments by the Secretary under this section shall be terminated if the retired civilian member is found to be sufficiently recovered for useful and efficient service in his former position and is offered reemployment in that position by the Superintendent.

(e) If a civilian member retired under this section is later reemployed by the United States, the payments by the Secretary shall be terminated.

(f) Each civilian member retired under this section who is reemployed as a civilian member of the teaching staff of the Naval Academy or the Naval Postgraduate School shall, upon his later retirement, be paid annually by the Secretary the difference between the total annual amount computed under section 7085 of this title and the immediate life annuity which the total premiums paid on his annuity contracts would buy.

In subsection (a) the words "reaching the age of 65" are
substituted for the words "becoming eligible for retirement under
the conditions defined in the preceding sections hereof", since a
civilian member's 65th birthday is the date on which he becomes
eligible for retirement under this chapter.

In subsection (c) the words "or the Postgraduate School, as
appropriate" are inserted because the Postgraduate School and the
Naval Academy are now two separate institutions.

In subsection (f) the words "or the Naval Postgraduate School"
are inserted for the same reason.

In subsection (g) the words "Federal Employees Compensation Act

Authority for referring to this Act as the Federal Employees Compensation Act is contained in the Federal Employees Compensation Act Amendments of 1949, 63 Stat. 854. The words "but this provision shall not bar the right of any claimant to the greater benefit conferred by either Act for any part of the same period" are omitted as unnecessary.

(a) At the time of his retirement, a civilian member retiring under this chapter may elect to receive instead of the amount payable annually by the Secretary of the Navy under section 7085 or 7086 of this title a reduced annuity for his life and an annuity payable after his death to his beneficiary in either –

- (1) an amount equal to his reduced annuity; or
- (2) an amount equal to 50 percent of his reduced annuity.

The annuities payable to principal and beneficiary, under either election, shall be in amounts that have, on the date of the retirement of the civilian member, a combined actuarial value equal to the actuarial value of the annuity payable by the Secretary under section 7085 or 7086 of this title, as determined under actuarial tables prepared by the Director of the Office of Personnel Management.
